So, do you still
like him?

If you still have
feelings for him,

and act like this
because you don't
know what to do,

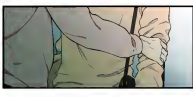

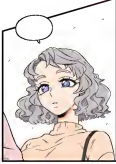

If you keep this stupid act up, then you really are so pathetic

that I just want to break both his legs and make sure he'll stay faithful to you forever.

GRAB...

I don't have time to blabber on with you here right now.

If you do have something to say, then call me when you've figured it out.
